

**27th ANNUAL REPORT  
2017-2018**

## CHAIRMAN MESSAGE

### **Dear shareholders,**

It is truly a proud moment for us to meet after a year of fantastic achievements. The reflect the strength and vitality of our company's products and brands.

It is a great honour and privilege for me to preside over the 27<sup>th</sup> Annual General Meeting of your Company and on behalf of the Board of Directors, I welcome you all to this special occasion. I thank you all for making it convenient to attend the meeting and for your continued support and goodwill, which is essential for the success of your Company.

At VBL, we truly believe that a satisfied customer is the best business strategy of all. Because, in their success lies our sustenance. We recognize the fact that it is the most difficult path to tread – for customer satisfaction is relative; as there can be no real measure for the intangible. Moreover, customer satisfaction is a dynamic parameter, it changes between customers and for the same customer, it changes between time periods. Despite these realities, we continue to stay focused on this course, for when a customer expresses satisfaction, it provides us with energy to achieve more.

Our company's performance in the last fiscal illustrates the opportunities and challenges facing our industry. The phenomenal impact that climate issues are having on businesses around the world is creating exciting and viable new opportunities.

During the year 2017-18, your Company continued to implement mission driven strategies by efficiently implementing the projects and continuing to invest in technology, infrastructure and talent, which are the critical inputs for the future of your Company.

Your Company's management has always been willing to take that extra step for maximizing shareholders' return. The Board of Directors of your Company has recommended an Interim dividend of Re. 0.50 per equity share paid in December 20, 2017 for the financial year 2017-18.

Our People are our greatest assets. I thank the respective teams across the Company for their diligence and dedication and look forward to the achievement of greater goals.

In our journey, the members of the Board have been a great source of strength and support. I thank them sincerely for their active involvement, support and guidance to the Company's Management Team and to me personally.

Thank you for your support for over last 27 years and we hope you continue your association with us forever.

### **Best Wishes,**

Hiralal Changela  
Chairman

## STEPS INTO THE FUTURE

If success is a journey, the steps that one takes in the right direction are perhaps more important than mere distance covered.

It is good to remember 2017 for some path-breaking steps that our country undertook during the year. ISRO's success in launch of multiple satellites, progress towards GST implementation and demonstration of India's commitment towards climate change by signing of Paris treaty, are some steps that will undoubtedly have strong impact on the future of our nation.

Here at Vishal, your Company not only aligned its approach with the Group's strategy, it also took some concrete steps to strengthen its long-term competitiveness. We strengthened our presence in focus sectors, and consistently pursued localisation goal to expand our manufacturing and engineering footprint. By aligning and involving our people in the organisational renewal process, together we took some solid steps into the future....

In summary, a blueprint and a roadmap of where the Company is heading in its journey to create a profitable enterprise with sustainable value has been laid out.

## Mission

"We understand the quality parameters demanded by leading OEMs and believing in the philosophy of prevention rather than detection. We consider Quality as the main tool to control every activity undertaken in the plant, right from sourcing of raw material to final products and to serve our customer in better way. On the basis of continuous experience & re-engineering approach the company's efforts are on going basis to maintain & improve the efficiency, which indirectly helps to improve the competitiveness to meet today's requirements of the customers."

## Vision

The Visionaries have helped in developing unique and indigenous way to manufacture bearing rollers of the finest quality and at the optimum cost. Because of its innovative technology which is recognized worldwide, the company has carved a niche for itself in the industry. With the help of all our experiences gained in the years so far we are able to give our customers a true 'VALUE FOR MONEY' advantage. Today we are proud to tell that we are among the very few suppliers of bearing rollers who provides finest quality with all in house process in India.

"We have 2018 to fine-tune our strategic concept with 4 focus areas. In doing so, we have been guided by the following fundamental principle: we will only be successful in the long run if we combine long-term thinking and the success factors that have proven themselves over the years – Quality, Technology and Innovation – with a systematic orientation towards the future."

## BASIC KNOWLEDGE OF BEARINGS

Here, we provide basic information on bearings.

### STRUCTURE AND FUNCTION

A surprisingly large number of bearings can be found all around us. Take automobiles, for example: There are 100 to 150 bearings in a typical car. Without bearings, the wheels would rattle, the transmission gear teeth would not be able to mesh, and the car would not run smoothly. Bearings are used not only in cars but in all kinds of machinery such as trains, airplanes, washing machines, refrigerators, air conditioners, vacuum cleaners, photocopy machines, computers and satellites. Bearings enhance the functionality of machinery and help to save energy. Bearings do their work silently, in tough environments, hidden in machinery where we cannot see them. Nevertheless, bearings are crucial for the stable operation of machinery and for ensuring top performance.

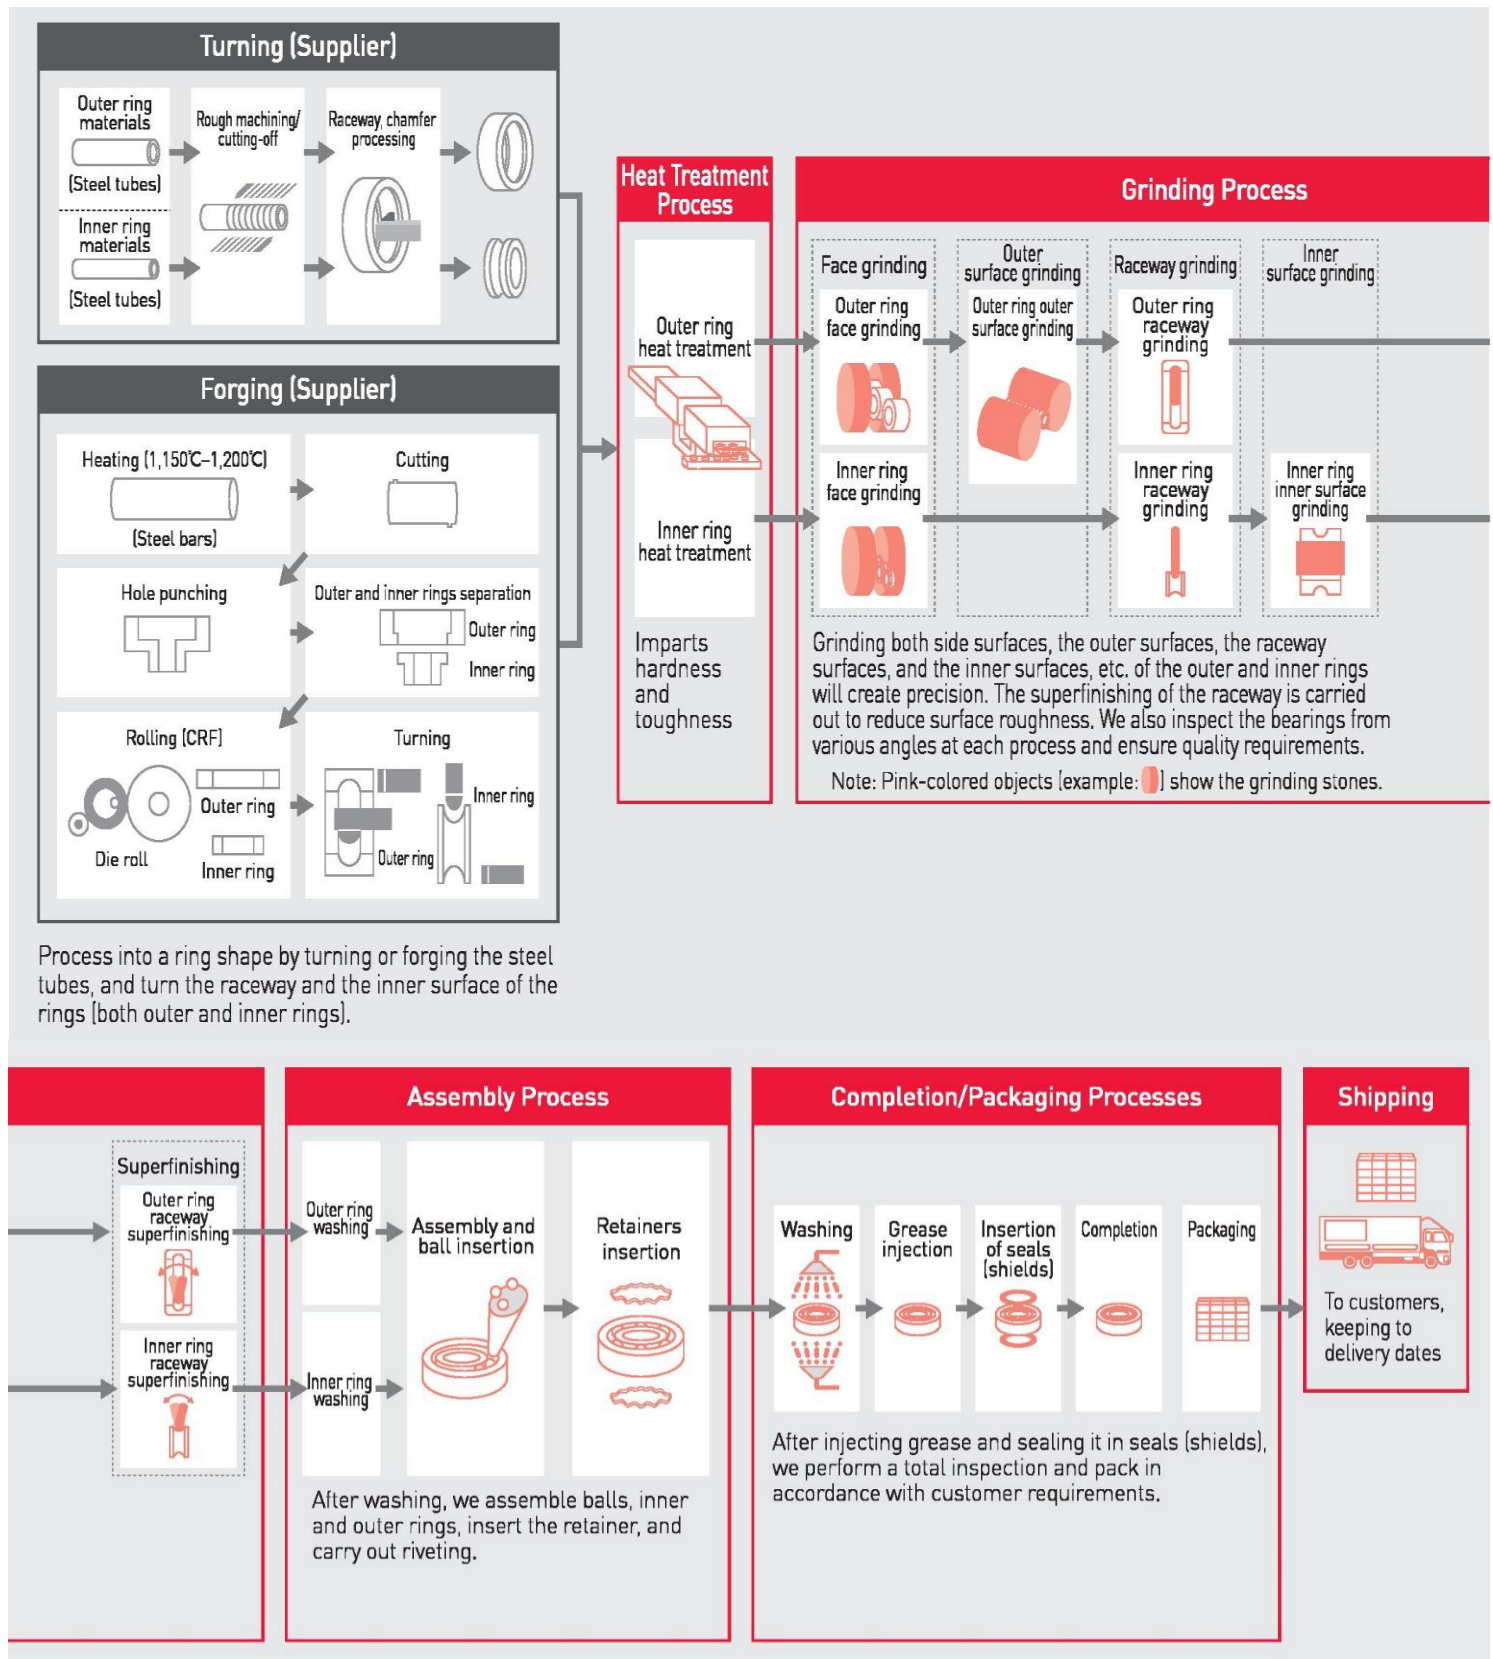

The term **bearings** incorporate the meaning of “to bear”, in the sense of “to support” and “to carry a burden.” This refers to the fact that bearings support and carry the burden of revolving axles.

### STRUCTURE

The ball bearings and roller bearings pictured to the right represent two typical types of the most basic bearings, known as rolling bearings. Rolling bearings are made up of four elements: an outer ring, an inner ring as well as rolling and cage elements and have an extremely simple basic structure.

## Main Manufacturing Processes for Bearings

## Function

The basic function of bearings is principally to reduce mechanical friction. Reducing friction means:

**1. Machinery will run more efficiently**

**2. There will be less frictional wear, extending the operating life of the machinery**

**3. Preventing abrasion burn and avoiding mechanical breakdown**

Bearings also contribute to lower energy consumption by reducing friction and allowing the efficient transmission of power. This is just one way in which bearings are environmentally friendly.

## Types of Bearings

A brief overview of typical bearings is presented as follows.

<p><b>1 Deep groove ball bearing</b></p>	<p><b>2 Angular contact thrust ball bearing</b></p>	<p><b>3 Thrust ball bearing</b></p>	<p><b>4 Cylindrical roller bearing</b></p>
 <p>This is the most widely used bearing in the world.</p>	 <p>In this type, the rolling element meets the inner and outer ring raceways at a contact angle. This bearing can carry radial and axial loads.</p>	 <p>Thrust ball bearings are capable of handling loads in the axial direction (axial loads). They can support heavy loads.</p>	 <p>The rolling elements are the cylindrical roller type.</p>
<p><b>5 Tapered roller bearing</b></p>	<p><b>6 Self-aligning roller bearing</b></p>	<p><b>7 Thrust needle bearing</b></p>	<p><b>8 Cage and roller</b></p>
 <p>The rolling elements are of the tapered roller type. Because the rollers are tapered, this bearing is able to carry combined axial and radial loads.</p>	 <p>This bearing has an automatic aligning function to compensate for minute misalignments between the inner and outer rings during operation.</p>	 <p>This bearing is used in parts such as compressors that deliver the air in automobile air-conditioning units.</p>	 <p>This is one of several kinds of bearings used in vehicles' manual transmissions. It is required to be highly durable.</p>

## EXCELLENCE IN SALES & SERVICES

Customers want more than good products. They demand best-in-class quality, just-in time availability, efficient logistics, affordable price, and excellent pre and after sales service. In summary, maximum value and superior experience. At Vishal, we believe that sales excellence must be embedded in our processes and reflected through passionate way our teams respond to customers' requests and expectations. This year, we took several initiatives to improve the customer experience.

### Core Program

We expanded our core program initiative to ensure that products which are in regular demand are available off-the-shelf.

In aftermarket, we continued promoting us Business activities. The idea obviously is to get involved in and contribute to the success of our customers' operational processes.

### Reach

Through systematic expansion of our distribution network, we extended our market reach. We are focussing on extending our reach in domestic and international markets.

### Competence

We regularly invest in upgradation of sales and technical skills of our sales teams and channel partners. This ensures that we not only understand market requirements well but are also able to effectively respond to the same.

The 2<sup>nd</sup> IPF Industrial Excellence Awards goes to vishal bearings limited in the category of "**Fastest Growing Manufacturing Company 2017**" under the Engineering segment.

As you are aware, **Industrial Products Finder (IPF)** is India's largest circulated industrial magazine published by ASAPP Info Global Group. In IPF's 45th year, we are happy to announce the 2<sup>nd</sup> IPF Industrial Excellence Awards thereby fulfilling the mission to raise the standards of excellence in the industry.

## PASSION FOR PERFORMANCE

When strategy, structure, capabilities and culture are tightly linked, an organisation is geared for a successful and sustainable future. That is one reason why we put People at the centre-stage of all our strategic initiatives. After all, people and their passion drive successful performance of a strategy.

### **Alignment**

Higher level of employee engagement leads to higher level of trust and that in turn leads to closer alignment of strategy, organisation and people. Forum such as town hall meetings have helped immensely in bringing employee alignment with organisational objectives and vice versa at Vishal.

### **Good Start**

A growing company like Vishal requires a talent pipeline. We recruit fresh as well as experienced members to support organisations growing need for talent. Our New Hire Integration program which ensures that new employees get a comprehensive understanding of the organisation, far beyond understanding of their ultimate area, has been very effective in providing a good start to new employees.

### **Family Connect**

Family connect initiatives have been an important part of our organisations culture as we try to provide a bridge between professional and social needs of employees.

### **Talent**

Our talent management process is deeply rooted in our belief that people development must precede organisational development. We have robust processes to capture and shape developmental needs of our employees. Our structured initiatives like Young Leader Program and Accelerated Leadership Program, have been supporting our employees in realisation of their true potential.

## **WORKING IN HIGH PERFORMANCE TEAMS**

Continuous improvement in an organisation requires strong teamwork. A good teamwork brings the best of every member, binds team to the culture of excellence and continuous improvement, and helps overcome failure while systematically discovering better ways to do things. At Vishal, initiatives like Quality Circle and MOVE provide platforms to our employees for collaborative teamwork. Team members identify opportunities for improvement, evaluate current practices and processes, plan and implement improvements in their areas and horizontally. All, they manage the change process to ensure that the gains of improvement are sustainable, and when teamwork is appreciated, it brings smiles on the faces of team members.

## MANAGEMENT DISCUSSION AND ANALYSIS

### INDUSTRY STRUCTURE AND DEVELOPMENT

Your company operates in the Antifriction bearing industry and the major user industries of antifriction bearings are automobiles, general engineering, railways, electrical equipment etc. For your company, the demand is approximately 90% from original equipment manufacturers (OEM) and the balance is for supplies to the replacement market/exports. The demand for roller bearings has grown in single digits during the last years reflecting overall sluggishness in industrial activity.

The automotive industry is the largest consumer of bearing products and your company supplies to the 2/3-wheeler, passenger cars, commercial vehicles and farm equipment segments. Overall demand from the Automotive industry remains subdued at a single digit rate of 8% but your Company has grown by 11.5% with strong growth in the 2/3-wheeler and commercial vehicles.

Roller bearings have wide ranging applications and are critical to industrial progress. Market growth in the Indian mobility industry for both people and goods has a very large potential given the geographical spread and size of population- an aspirational young population spurs personal mobility while the need to establish strong supply chains between producers and markets drives growth for goods mobility. Also new vehicle models are being constantly introduced, there is expansion of the public transport systems, dedicated freight corridors for movement of farm produce. With enhanced manufacturing capacity, your Company is now able to offer a wider range of products to its customers -bearing solutions that are efficient and support productivity.

We have over 25 years of experience of operating in India. We supply our finished Bearing rollers and products across India to reputed bearing manufactures and OEMs in domestic market for end users in diverse industries such as rail, light vehicles, off-highway, heavy trucks, industries classified as automobile industries', and heavy industries, industrial processes, gear drives, energy and industrial distribution, as segments within the process industries' and also export our products to customers based outside India for end users in diverse industries. We are also exporter of cylindrical roller which cater the requirements of international customers in Germany, Hungary, Turkey etc. in diverse industries such as, automotive and Hydraulics. We believe that we have long-term and stable relationships developed over the years with our key suppliers of raw materials and our key customers although we do not have formal contracts. Our key suppliers are ASCOINDUSTRIESSAS France, Dongbu Special Steel Co. Limited and Overseas Alloy Steel etc. Our major customers include NRB Bearings Limited, SKF India Limited, Turbo Bearings Private Limited, Texspin Bearings Limited, NRB Industrial Bearing Limited, TIMKEN, National Engineering Industries Limited, Turbo Industries, INAPEX Pvt Ltd., etc.

As of March 31, 2018, our work force consisted of approximately 170 full time employees. We adhere to international best practices standards and are committed in developing products and services where quality assurance is systematic process of checking to see whether a product or service being developed is meeting specified requirements. We have a separate department devoted to quality assurance with highly equipped standard room carrying all measuring equipment with latest technology.

### ECONOMIC ENVIRONMENT

During the year, global environment has been subdued, being affected by uncertainties in the global financial markets, slowdown in investments arising from setbacks such as Brexit and the weaker growth in China.

In India, economic performance has been impacted by a one-time purge of “black” money, but domestic savings rate increases and improved tax collections v/s GDP, foreign institutions gaining confidence arising from the bold reforms, are going to turn to be positive for the economy with the Indian financial sector witnessing a paradigm shift in business operations. There is hope that the Indian economy will witness a strong recovery path helped by lower global fuel and commodity prices and well managed fiscal and monetary policies of the government. Downside risks continue in the form of NPA's of the banking system and the post demonization effects in most sectors of the economy.

With forecasts of a more bountiful monsoon and government spending in the economy mainly in the areas of Power (Renewables and T & D), Transportation (Roads, Railways and metro projects) and Defence (mainly towards indigenization under the “Make in India” drive) and the GST implementation around the corner, structurally the economy is expected to be benefitted and industrial growth boosted with the likely shift in consumption from unorganized to organized players. With overall GDP growth estimated at 7% and inflation controlled within 5%, the automotive sector is also expected to benefit, particularly with a growing middle class and rapid urbanization which will drive the need for personal and public transportation. The continued capacity expansion by major OEMs, in line with market demand is expected to encourage auto component manufacturers to invest in new capacities and expand operations. Opportunities for exports are expected to increase both for finished automobiles as well as auto components. Many new launches are also planned during the year which will help in expanding the size of the market.

Lower interest rates (arising out of high liquidity with banks) and inflationary pressures under close watch, along with expectations of crude oil remaining soft, should enable bearing manufacturers to benefit from a smooth demand led recovery during the year.

Your Company will continue to focus on manufacturing efficiencies and leverage its competitive strength to meet customer growth plans and increase market share.

### **OPPORTUNITIES AND THREATS**

The long-term prospects for the Indian economy remain bright owing to the growth of internal consumption. Demand for personal vehicles will be driven by the aspirations of the rising middle class with improving purchasing power and disposable incomes. Rapid urbanization will drive the need for public transportation. As India addresses the twin challenges of inclusive growth and sustainability, even a normal monsoon, with improved availability of rural finance, will positively influence demand for motor cycles as well as agricultural tractors. The overall mobility sector is expected to benefit from continued growth in the longer term.

The domestic bearing industry is facing the following threats:

- a. The menace of spurious bearings continues to adversely affect the industry. As per estimates roughly one in every four bearings sold in the replacement market is fake/ of inferior quality presenting a threat to unsuspecting users. The problem continues owing to the slow legal process, in spite of industry wide efforts to thwart the unscrupulous suppliers.
- b. With global demand weakening, dumping of cheap bearings by Chinese and other South East Asian countries has intensified. The industry is working with the government for imposition of safeguard duties to protect the domestic industry. Supply chain readiness and a stronger focus on reducing costs will help counter the same.
- c. Regulatory demands on emission levels, improved safety norms and higher expectations for improved reliability of the vehicles may result in need for investments in newer technology, R& D investments. This could cause a higher burden of fixed costs.

Of course, the industry and your company have to continuously explore ways and take all measures to strengthen competitive advantage by minimizing waste, increasing efficiencies and producing high quality products to counter the threat of cheap imports.

### **FINANCIALS**

The company has made a profit after tax of Rs. 3.42 Crore as compared to Rs. 81.19 Lacs in the previous accounting year. The net revenues at Rs. 56.49 Crore show a growth as compared to net revenues of the previous year Rs. 33.63 Crore.

The company expects that the market will improve and with the new capacities which have become operational, it will be able to enhance volumes, improve efficiencies, broaden its customer profile and product range so that the financial results are better during the current financial year.

### **RISKS AND CONCERNS**

Risk management practices seek to sustain and enhance long term competitive advantage of the Company. The Board of Directors looks at risks which are mainly reputational and where the risk grid shows criticality. For the risk grid, the risks have been listed, then prioritized and ranked in terms of probability and impact- high/moderate/low.

The Board also approves the risk policies and associated practices of the Company, reviews and approves risk related disclosures. Otherwise in a normal situation, the operating team would be responsible for all operational risks. At the operating level the core group of the Executive Management team comprising the Managing Director and the functional heads review enterprise risks from time to time, initiate mitigation actions and identify owners for the action to be taken.

The following broad categories of risks have been considered:

**Strategy:** Choices and decisions we make to enhance long term competitive advantage of the Company and value to the stakeholders.

**Industry:** Relates to the inherent characteristics of our industry including competitive structure, nature of market and regulatory environment.

**Counterparty:** Risks arising from our association with entities for conducting business. These include customers, vendors and their respective industries.

**Resources:** Risks arising from sub-optimal utilization of key organization resources such as capital and infrastructure.

**Operations:** Risks inherent to our business operations includes service & delivery to customers, business support activities like Quality management, IT, Legal, Taxation etc.

**Regulations and compliance:** Risks due to inadequate compliance to regulations and contractual obligations violations leading to litigation and loss of reputation.

The business environment is expected to improve during the year, with economic performance helped by lower global fuel and commodity prices, well managed fiscal deficits, forecast of a near normal monsoon and Government initiatives to increase the spend on rural infrastructure and the "Make in India" drive to boost manufacturing. The automotive industry, the largest consumer of bearings, has strong linkages with the economy and should benefit from the same.

Management of financial risks such as interest rates risk, currency risk and liquidity risk, have come in for increased focus. Various measures were deployed to continuously monitor risks and take appropriate actions to mitigate the same.

### **INTERNAL CONTROL SYSTEMS AND ADEQUACY**

Based on the nature of the business and size of operations the Company has in place adequate systems of internal control and documented procedures covering all financial and operating functions. These controls have been designed to provide for

- Accurate recording of transactions with internal checks and prompt reporting
- Safeguarding assets from unauthorized use or losses
- Compliance with applicable statutes and adherence to management instructions & policies
- Effective management of working capital
- Monitoring economy and efficiency of operations

Processes are also in place for formulating and reviewing annual and long-term business plans and for preparation and monitoring of annual budgets for all operating plants and the service functions.

A reputed external audit firm carries out periodical audits at all plants and of all functions and brings out deviations from laid down procedures. The audit firm independently tests the design, adequacy and operating effectiveness of the internal control system to provide a credible assurance to the Audit Committee. The observations arising out of audit are reviewed, in the first instance by the respective HODs and plant/functional heads and compliance is ensured. Further corrective action plans are drawn up to build business processes which will eliminate repetition of deviations. Business risks are managed through cross functional involvement, facilitated by internal audit and the results of the assessment are presented to senior management.

The Audit Committee reviews the recommendations for improvement of the business processes and the status of implementation of the agreed action plan.

### **SEGMENTWISE PERFORMANCE**

During the current year, ball and roller bearings have been the primary business segment for the company.

### **COMPETITION**

Our Industry is fragmented consisting of large established players and small niche players. We compete with organized as well as unorganized sector based on availability of product, product quality and product range. Further, there are no entry barriers in this industry and any expansion in capacity of existing manufacturers would further intensify competition. Industry is very competitive and we expect competition to continue and likely to increase in the future.

### **INDUSTRIAL RELATIONS AND HUMAN RESOURCE MANAGEMENT**

The company's industrial relations with employees at its Ranchi plant continued to be cordial and peaceful.

The company has continued its efforts towards strengthening Human Resource by providing employees a better working atmosphere and creating a culture which nurtures personal and organizational growth.

Permanent employees directly employed by the company currently total 160 nos.

### **AWARDS AND RECOGNITION**

This policy is intended to inform the present and potential investors and Shareholders, about the approach of the Board of Directors ('Board') of the Company towards declaration of dividend and utilization of the retained earnings.

### **2. STATUTORY REQUIREMENT**

Regulation 43A of the SEBI (Listing Obligations and Disclosure Requirements), Regulations, 2015, specifies that every listed Company shall formulate a Dividend Distribution Policy which shall be disclosed in the Annual Reports and on the website of the Company.

### **3. OBJECTIVE**

This Policy intends to make available the following information to the Shareholders of the Company:

- a) The circumstances under which the shareholders of the Company may or may not expect dividend.
- b) The External and Internal factors including financial parameters that would be considered by the Company while declaring dividend.
- c) Method in which the Company will utilise Retained Earnings.

### **4. POLICY**

#### **CIRCUMSTANCES UNDER WHICH SHAREHOLDERS OF THE COMPANY MAY OR MAY NOT EXPECT DIVIDEND:**

The Board of Directors of the Company is committed to deliver sustainable value to all its stakeholders including the Shareholders. The Company will strive to distribute an optimal and appropriate level of profits earned by it in its business, with the Shareholders, in the form of Dividend. It may be interim dividend and / or final dividend every year.

However, under the following circumstances the shareholder may not expect dividend:

- Where it become essential to build reserves to meet long term requirements.
- Where in the opinion of the Board of Directors, distribution of profit by dividend in any year would jeopardize the Company's financial condition.
- Where the Company has not earned profit or earned inadequate profit in any year.

#### **EXTERNAL, INTERNAL FACTORS AND FINANCIAL PARAMETERS THAT SHALL BE CONSIDERED FOR DECLARATION OF DIVIDEND:**

Declaration of Dividend and the percentage will depend upon the following factors:

##### **I. External Factors**

- A. Unfavourable economic and market conditions:

**II. Internal Factors and Financial Parameters**

Internal factors and financial parameters that may be considered by the Board before making any recommendations for Dividend include but not limited to:

1. Amount of Current year business profits
2. Amount of Capital profits
3. Past year profit/loss
4. Cash flow position for the year under consideration
5. Cost of raising funds from alternate sources
6. Present and future Capital Expenditure plans, including plans for expansion, modernization of existing business or green field projects
7. Plans for Mergers & Acquisitions including other forms of business re-organisation
8. Additional investments in subsidiary/associates of the Company
9. Plans for investments into new line of business
10. Any other factor as deemed fit by the Board

**5. METHOD IN WHICH COMPANY WILL USE RETAINED EARNINGS:**

Reserves are being built by the Company to plough back profits in to the business, to maintain uninterrupted distribution of dividend in the years where there is no profit or inadequate profit and to meet the fund requirements in the lean periods.

As per the provisions of the Companies Act, 2013 and the rules framed thereunder the free reserves (retained earnings) of the Company may be utilized for the purpose of Issue of Bonus Shares by capitalization of reserves, buy back of Shares, Declaration of Dividend out of reserves where there is no / or inadequate profit in any financial year, declaration of special / additional dividend in any year(s) (if any).

The Board of Directors of the Company, depending upon the circumstances and taking into consideration of business requirements of the Company would take appropriate decision regarding the utilization of the retained earnings of the Company from time to time.

**6. AMENDMENTS:**

This policy may be reviewed and modified to make it to be in line with any changes, modifications or amendments in the Regulations / Acts, subject to the necessary approval of the Board of Directors of the Company.

**7. BOARD'S APPROVAL:**

This policy was approved by the Board of Directors at its meeting held on April 18, 2017.

I have conducted the secretarial audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by **M/s VISHAL BEARINGS LIMITED** (hereinafter called the company). Secretarial Audit was conducted in a manner that provided me a reasonable basis for evaluating the corporate conducts/statutory compliances and expressing my opinion thereon.

Based on my verification of the Company's books, papers, minute books, forms and returns filed and other records maintained by the Company and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of secretarial audit, I hereby report that in my opinion, the Company has, during the audit period covering the Financial Year ended on 31<sup>ST</sup> March, 2018 complied with the statutory provisions listed hereunder and also that the Company has proper Board-processes and compliance-mechanism in place to the extent, in the manner and subject to the reporting made hereinafter:

I have examined the books, papers, minute books, forms and returns filed and other records maintained by the company for the Financial Year ended on 31st March, 2018 according to the provisions of:

- (i) The Companies Act, 2013 (the Act) and the rules made thereunder;
- (ii) The Securities Contracts (Regulation) Act, 1956 ('SCRA') and the rules made thereunder;
- (iii) The Depositories Act, 1996 and the Regulations and Bye-laws framed thereunder;
- (iv) Foreign Exchange Management Act, 1999 and the rules and regulations made thereunder to the extent of Foreign Direct Investment, Overseas Direct Investment and External Commercial Borrowings;
- (v) The following Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992 ('SEBI Act'):-
  - (a) The Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, 2011;

(b) The Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 2015;

(c) The Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2009;

(d) The Securities and Exchange Board of India (Share based Employee Benefits) Regulations, 2014;

(e) The Securities and Exchange Board of India (Issue and Listing of Debt Securities) Regulations, 2008 – **Not applicable as the company has not issued any debt securities;**

(f) The Securities and Exchange Board of India (Registrars to an Issue and Share Transfer Agents) Regulations, 1993 regarding the Companies Act and dealing with client – **Not applicable as the company is not registered as Registrar to issue and Share Transfer Agent during the financial year under review;**

(g) The Securities and Exchange Board of India (Delisting of Equity Shares) Regulations, 2009 – **Not Applicable as the Company has not delisted / proposed to delist its equity shares from any Stock Exchange during the Financial Year under review;**

(h) The Securities and Exchange Board of India (Buyback of Securities) Regulations, 1998 – **Not applicable as the Company has not bought back / proposed to buy-back any of its securities during the financial year under review.**

I have also examined compliance with the applicable clauses of the following:

(i) Secretarial Standards issued by The Institute of Company Secretaries of India.

(ii) The Listing Agreements entered into by the Company with Bombay Stock Exchange.

During the period under review the Company has complied with the provisions of the Act, Rules, Regulations, Guidelines, Standards, etc. mentioned above.

I further report that having regard to the compliance system prevailing in the Company and on the review of quarterly compliance reports taken on record by the Board of Directors and on examination of the relevant documents and records in pursuance thereof, on test-check basis, the Company has complied with the labour and environmental laws as applicable.

I further report that the compliance by the Company of applicable financial laws, like direct and indirect tax laws, has not been reviewed in this Audit since the same has been subject to review by statutory financial auditor and other designated professionals.

I further report that:

The Board of Directors of the Company is duly constituted with proper balance of Executive Directors, Non-Executive Directors, Independent Directors and Women Director. There are no changes in the composition of the Board of Directors during the period under review.

Adequate notice is given to all directors to schedule the Board Meetings, agenda and detailed notes on agenda were sent at least seven days in advance, and a system exists for seeking and obtaining further information and clarifications on the agenda items before the meeting and for meaningful participation at the meeting.

Majority decision is carried through while the dissenting members' views, if any, are captured and recorded as part of the minutes.

**I further report that** there are adequate systems and processes in the Company commensurate with the size and operations of the company to monitor and ensure compliance with applicable laws, rules, regulations and guidelines.

**I further report that** other than the above, there were no instances of:

### **REPORT ON AUDITED FINANCIAL STATEMENTS**

We have audited the accompanying financial statements of **VISHAL BEARINGS LTD** ('the Company'), which comprise the Balance Sheet as at March 31, 2018 and the Statement of Profit and Loss and the Cash Flow Statement for the year ended on that date, and a summary of significant accounting policies and other explanatory information.

### **MANAGEMENT'S RESPONSIBILITY FOR THE FINANCIAL STATEMENTS**

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these financial statements that give a true and fair view of the financial position and financial performance of the Company including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

### **AUDITOR'S RESPONSIBILITY**

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with the Standards on Auditing issued by the Institute of Chartered Accountants of India.

Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the financial statements that give a true and fair view in order to

design audit procedures that are appropriate in the circumstances but not for the purpose of expressing an opinion on whether the Company has an adequate internal financial controls system over financial reporting in place and the operating effectiveness of such controls. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of the accounting estimates made by the Company's Board of Directors, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

### **OPINION**

In our opinion and to the best of our information and according to the explanations given to us, the financial statements read together with the notes thereon, give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, to the extent applicable;

- a) In the case of the Balance Sheet, of the state of affairs of the Company as at 31st March, 2018;
- b) In the case of the Statement of Profit and Loss, of the profit of the Company for the year ended on that date; and
- c) In the case of the Cash Flow Statement, of the cash flows of the Company for the year ended on that date.

### **REPORT ON OTHER LEGAL AND REGULATORY REQUIREMENTS**

1. As required by the Companies (Auditor's Report) Order, 2016 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of Section 143 of the Act, we give in the Annexure A, a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
2. As required by section 143(3) of the Act, we report that:
  - a) we have sought and obtained all the information and explanations, which to the best of our knowledge and belief were necessary for the purposes of our audit;
  - b) in our opinion, proper books of account as required by law have been kept by the Company, so far as it appears from our examination of those books;
  - c) the Balance Sheet and Statement of Profit and Loss dealt with by this report are in agreement with the books of account, as submitted to us;
  - d) in our opinion, the aforesaid financial statements comply with the accounting standards specified under Section 133 of the Companies Act, read with Rule 7 of the Companies (Accounts) Rules, 2014, to the extent applicable;
  - e) On the basis of written representations received from the directors, as on March 31, 2018, and taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2018 from being appointed as a director in terms of Section 164(2) of the Act;
  - f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate report in Annexure - B and
  - g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditor's) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:

- i. There were no pending litigations which would impact the financial position of the Company.
- ii. The Company has made provision, as required under the applicable law or accounting standards, for material foreseeable losses, if any, and as required on long-term contracts including derivative contracts.

## **ANNEXURE – B TO THE AUDITOR’S REPORT**

**(Referred to in paragraph 2(f) of our Report of even date on the Statement of Accounts of VISHAL BEARINGS LIMITED for the year ended on 31st March, 2018)**

### **Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")**

We have audited the internal financial controls over financial reporting of VISHAL BEARINGS LIMITED ("the Company") as of 31 March 2018 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

#### **Management’s Responsibility for Internal Financial Controls**

The Company’s management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

#### **Auditor’s Responsibility**

Our responsibility is to express an opinion on the Company’s internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system over financial reporting.

### **Meaning of Internal Financial Controls over Financial Reporting**

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

### **Inherent Limitations of Internal Financial Controls over Financial Reporting**

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

### **Opinion**

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March 2017 based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Vishal Bearings Ltd. ('the company') having its manufacturing facilities at Shapar (Veraval), Rajkot, is presently engaged in the business of manufacturing of Bearing Rollers, earning Jobwork Income & Wind Power Generation.

## 2. SIGNIFICANT ACCOUNTING POLICIES

### (i) Basis of preparation

These financial statements are prepared in accordance with Schedule III of the Companies Act, 2013 and under the historical cost basis of accounting and evaluated on a going concern basis, with revenues and expenses accounted for on their accrual to comply in all material aspects with the applicable accounting principles and applicable Accounting Standards notified under section 133 of the Companies Act, 2013 (The Act) read with rule 7 of Companies (Accounts) Rules, 2014. The accounting policies have been consistently applied by the Company; and the accounting policies not referred to otherwise, are in conformity with Indian Generally Accepted Accounting Principles ('Indian GAAP').

The accounting policies adopted in the preparation of financial statements are consistent with those of previous year unless otherwise stated.

### (ii) Use of Estimates:

The preparation of financial statements requires estimates and assumptions to be made that affect the reported balances of assets as on the date of the financial statements and the reported amount of revenues and expenses during the reporting period. Accounting estimates could change from period to period. Actual results could differ from these estimates. Appropriate changes in estimates are made as and when the Management becomes aware of the changes in the circumstances surrounding the estimates. Changes in estimates are reflected in the financial statements in the period in which the changes are made and if material, their effects are disclosed in the notes to the financial statements.

### (iii) Revenue Recognition:

Revenue is recognized to the extent that it is probable that the economic benefits will flow to the company and the revenue can be reliably measured.

#### Sales of Goods:

Sales are recognised when significant risks and rewards of ownership of goods have been passed to the buyer.

#### Power Generation Income:

Power generation income is recognised on the basis of electrical units generated and eligible for captive consumption or captive consumed or sold as shown in the power generation reports issued by the concerned authorities. Power generation income is booked as the per unit electricity rate, being paid by the company / actually sold by the company.

**Interest:**

Revenue is recognised on a time proportion basis taking into account the amount outstanding and the rate applicable.

**Jobwork Income:**

Revenue is recognised on the basis of completion of services being provided.

**(iv) Tangible Fixed Assets**

Fixed assets are stated at their cost of acquisition plus all expenditure incurred for bringing the assets to their present location and condition including the installation costs, net of modvat / cenvat / other credits and includes amounts added on revaluation, less accumulated depreciation and impairment loss, if any. All costs, including specific financing cost till assets put to use, net charges on foreign exchange contracts and adjustment arising from foreign exchange rate variations attributable to the fixed assets are capitalised.

**(v) Depreciation / Amortization**

The company has charged depreciation on fixed assets on Written Down Value (WDV) method on the basis of useful life / remaining useful life and in the manner as prescribed in, Part C, Schedule II of the Companies Act, 2013. Depreciation on additions/ disposals during the year has been provided on pro-rata basis with reference to the nos. of days utilized.

Depreciation on additions/ disposals during the year has been provided on pro-rata basis.

**Details of useful life of an asset and its residual value estimated by the management**

Type of Asset	Useful Life as per management's estimate
Factory Building	30 Years
Plant & Machinery *	20 Years
Furnace	15 Years
Electrification	15 Years
Furniture & Fixtures	10 Years
Computers	3 Years
Computer Software	6 Years
Refrigerator	15 Years
EPBX System	15 Years
Air Conditioner	15 Years
Fax Machine	15 Years
Water Filter	15 Years

Mobile & Telephone	15 Years
CCTV System	15 Years
Weighing Scale Machine	15 Years
Motor Cars	8 Years
Motor Cycles	10 Years
Windmill Plant & Machinery	22 Years

In none of the case, residual value of an asset is more than five per cent of original cost of the asset.

\* For this class of asset, based on internal assessment and independent technical evaluation carried out by chartered engineer, the useful life is estimated to be 20 Years from the date of its put to use, whereas the useful life for the said class of asset as per Schedule II is 15 Years.

#### **(vi) Inventories**

Inventories of Raw Materials, Semi-Finished Goods, Finished Goods and Waste & Scrap are stated at cost or net realisable value, whichever is lower. Cost comprises all cost of purchase, cost of conversion and other costs incurred in bringing the inventories to their present location and condition. The excise duty in respect of closing inventory of finished goods is included as part of finished goods. Cost formula used is 'Average cost'. Due allowance is estimated and made for defective and obsolete items, wherever necessary, based on the past experience of the Company.

#### **(vii) Retirement Benefits and other employee benefits**

##### **Defined Contribution Plans**

Defined contribution to provident fund is charged to the profit and loss account on accrual basis.

##### **Defined Benefit Plans**

Provision for gratuity liability is provided based on actuarial valuation made at the end of the financial year.

Leave encashment expenditure is charged to profit and loss account at the time of leave encashed and paid, if any. Bonus expenditure is charged to profit and loss account on accrual basis.

#### **(viii) Foreign Currency Transactions:**

Transactions denominated in foreign currencies are recorded at the exchange rate prevailing on the date of transaction.

Foreign currency current assets and current liabilities outstanding at the balance sheet date are translated at the exchange rate prevailing on that date and the net gain or loss is recognized in the profit and loss account.

Foreign currency translation differences relating to liabilities incurred for purchasing of fixed assets from foreign countries are adjusted in the carrying cost of fixed asset for differences up to the year-end in the year of acquisition, whereas differences arising thereafter to be recognized in the profit and loss account. All other foreign currency gain or losses are recognized in the profit and loss account.

**(ix) Operating Lease**

Assets acquired as leases where a significant portion of risk and rewards of ownership are retained by the lessor are classified as operating lease. Lease rentals being income or expense are booked to the profit and loss account as incurred.

Initial direct costs in respect of the lease acquired are expenses off in the year in which such costs are incurred.

**(x) Borrowing Cost**

Borrowing costs that are directly attributable to the acquisition, construction or production of qualifying assets are capitalised as part of the cost of such assets. A qualifying asset is one that necessarily takes substantial period of time to get ready for intended use. Costs incurred in raising funds are amortised equally over the period for which the funds are acquired. All other borrowing costs are charged to profit and loss account.

**(xi) Taxes on Income**

Tax expenses comprise Current Tax / Minimum Alternate Tax (MAT) and deferred tax charge or credit.

Current Tax: Provision for current tax / Minimum Alternate Tax (MAT) is made based on tax liability computed after considering tax allowances and exemptions, in accordance with the provisions of The Income Tax Act, 1961.

Deferred Tax: Deferred tax assets and liability is recognized, on timing differences, being the differences between taxable income and accounting income that originate in one period and are capable of reversal in one or more subsequent periods. Deferred tax assets arising mainly on account of brought forward losses, unabsorbed depreciation and minimum alternate tax under tax laws, are recognised, only if there is a virtual certainty of its realisation, supported by convincing evidence. At each Balance Sheet date, the carrying amount of deferred tax assets are reviewed to reassure realisation. The deferred tax asset and deferred tax liability is calculated by applying tax rate and tax laws that have been enacted or substantively enacted by the Balance Sheet date.

**(xii) Earnings/(Loss) per Share**

Basic earnings/(loss) per share are calculated by dividing the net profit / (loss) for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the period. The weighted average number of equity shares outstanding during the period are adjusted for any bonus shares issued during the year and also after the balance sheet date but before the date the financial statements are approved by the board of directors.

**(xiii) Provisions, contingent liabilities and contingent assets**

A provision is recognised when the company has a present obligation as a result of past events and it is probable that an outflow of resources will be required to settle the obligation, in respect of which a reliable estimate can be made. Provisions are not discounted to their present value and are determined based on best estimates required to settle the obligation at the balance sheet date. These are reviewed at each balance sheet date and adjusted to reflect the current best estimates.

A contingent liability is a possible obligation that arises from past events whose existence will be confirmed by the occurrence or non-occurrence of one or more uncertain future events beyond the control of the company or a present obligation that is not recognized because it is not probable that an outflow of resources will be required to settle the obligation. A contingent liability also arises in extremely rare

cases where there is a liability that cannot be recognized because it cannot be measured reliably. The company does not recognize a contingent liability but discloses its existence in the financial statements.

Contingent liabilities are disclosed by way of notes to the accounts.

Contingent assets are not recognized.

**(xiv) Investments**

Investments being Non-Current Investments consists investments made in equity oriented mutual funds (quoted) and shares in co-operative banks (non-quoted). Investments are stated at cost of acquisition. Provision for diminution in the value of long term investments is made only if such decline is other than temporary.

**(xv) Cash and Cash Equivalents**

Cash and cash equivalents in the cash flow statement comprise cash at bank and in hand, cheques on hand and short-term investments with an original maturity of three months or less.

Cash flows are reported using the indirect method, whereby profit before tax is adjusted for the effects of transactions of non-cash nature, any deferrals or accruals of past or future operating cash receipts or payments and item of income or expenses associated with investing or financing cash flows. Cash flows from operating, investing and financing activities of the Company are segregated, accordingly.

**(xvi) Government Grants & Assistance**
